[Chapter 4 African American Art Flashcards | Quizlet](#)

From its origins in early eighteenth century slave communities to the end of the twentieth century, African-American art has made a vital contribution to the art of the United States.

African-American Art provides a major reassessment of the subject, setting the art in the context of the African-American experience. Here, Patton discusses folk and decorative arts such as ceramics, furniture, and quilts alongside fine art, sculptures, paintings, and photography during the 1800s.
