*API 510 practice questions / Quiz - GoConqr*

The API 510, 570 and 653 exams contain 125 scored questions, plus 25 questions that are not scored, otherwise known as "pre-test". Pre-test questions are usually newly-written or recently revised questions. These questions need to be vetted by the candidates before being approved and used for scoring. Using pre-test items on an exam does not impact scoring or test taker performance,
