Hermeneutics and Hindu Thought: Toward a Fusion of Horizons Indiana University Press

Global struggles over women's roles, rights, and dress increasingly cast the secular and the religious in tense if not violent opposition. When advocates for equality speak in terms of rights and modern progress, or reactionaries ground their authority in religious and scriptural appeals, both tend to presume women's emancipation is ineluctably tied to secularization. Religion, the Secular, and the Politics of Sexual Difference upsets this certainty by drawing on diverse voices and traditions in studies that historicize, question, and test the implicit links between secularism and expanded freedoms for women. Rather than position secularism as the answer to conflicts over gender and sexuality, this volume

shows both religion and the secular collaborate in creating the conditions that generate them.

Security, Socialisation and Affect in Indian Families Abhinav Publications

A THOROUGH AND CONTEMPORARY EXPLORATION OF ISSUES FUNDAMENTAL TO MULTICULTURAL COMPETENCY Handbook of Multicultural Counseling Competencies draws together an expert group of contributors who provide a wide range of viewpoints and personal experiences to explore the identification and development of specific competencies necessary to work effectively with an increasingly diverse population. Beginning with a Foreword by Derald Wing Sue, this unique handbook offers a broad, comprehensive view of multiculturalism that is inclusive and reflective. The coverage in this important book lies beyond the scope of traditionally defined multiculturalism, with discussion of historically overlooked groups that have experienced prejudice and bias because of their size, social class, age, language, disability, or sexual orientation. This book provides readers with: Practical cases and examples to enhance skill development, promote critical thinking, and increase awareness A cross-section of diversity characteristics and best practice guidelines Examination of detailed, developmentally relevant competency categories Resources and exercises designed for practitioners at various levels of experience and expertise A forum for debate, discussion, and growth Designed to help readers enhance general multicultural competency and their ability to provide services to the populations specifically described, this thought-provoking text will prove useful in facilitating ongoing dialogues about multicultural competence in all its variations.

In today's competitive world, Spoken English is considered as a passport for success in life. The craze for learning spoken English has led to the growth of coaching institutes all over the country. Much as they may profess and advertise, it is not really possible to learn any language in 30 days. A person who genuinely wants to learn the language needs to spend two to three hours every day for at least five or six months before he or she would feel confident to communicate in English. The prime objective of this book is to encourage students to learn English as a tool of communication and to enable them to understand the language thoroughly. The book basically takes off from the learner's point of view and guides them through cooperative learning methods in order to help master the effective communication skills in English. The book has been divided into four convenient units of Grammar, Pronunciation, Conversation and Vocabulary. Each chapter covers one main area of learning English - explained with examples. Carefully selected and graded exercises have also been included throughout the book to give readers ample practice and a complete understanding of the subject. In short, the book follows the modern functional approach to the study of English. So readers, it is definitely a one-stop solution for speaking English!

Readings in Indian Literature Oxford University Press, USA

Same-Sex Love in India presents a stunning array of writings on same-sex love from over 2000 years of Indian literature. Translated from more than a dozen languages and drawn from Hindu, Buddhist, Muslim, and modern fictional traditions, these writings testify to the presence of same-sex love in various forms since ancient times, without overt persecution. This collection defies both stereotypes of Indian culture and Foucault's definition of homosexuality as a nineteenth-century invention, uncovering instead

complex discourses of Indian homosexuality, rich metaphorical traditions to represent it, and the use of names and terms as early as medieval times to distinguish same-sex from cross-sex love. An eminent group of scholars have translated these writings for the first time or have re-translated well-known texts to correctly make evident previously underplayed homoerotic content. Selections range from religious books, legal and erotic treatises, story cycles, medieval histories and biographies, modern novels, short stories, letters, memoirs, plays and poems. From the Rigveda to Vikram Seth, this anthology will become a staple in courses on gender and queer studies, Asian studies, and world literature.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

IAS Mains Paper 1 Indian Heritage & Culture History & Geography of the world & Society 2020 Arihant Publications India limited

Cheated by her young and handsome Spanish boyfriend, Kaveri is back in India to follow a career as an artist and to find her dream man. However, getting involved with an older man, making out with the hottest star in Bollywood, teaching a hot, upcoming actress Hindi . . . her goals seem nowhere in sight. Starting afresh seems to have thrown her off completely and she begins to see the superficial life that she's been leading. It's time to take some hard decisions. With fresh hope and a new philosophy, Kaveri begins to focus on her goals. Things begin to look up when there is a kindling of romance across Twitter and she's starts to understand her true calling. She might finally be moving in the right direction!

This book entitled 'Indian Social Problems: A Sociological Perspective' provides a glimpse of many social problems that have been haunting the Indian society since years, decades, and even centuries. Though India is fast developing, it has lots of regional, cultural, linguistic and religious

diversities. These diversities are also reflected in its social problems. This book covers social problems which are general in nature and common to the whole nation such as population problem, poverty, unemployment, child labour, urbanization, youth unrest, problems of the aged, family disorganization, corruption, crime and delinquency, etc. This book is prepared mainly to cater to the needs of the undergraduate and postgraduate students. Most of the universities in India have prescribed one paper on 'Indian Social Problems' either at the undergraduate or postgraduate level. The book also covers topics that are included in the syllabi of IAS, NET, SLET, KAS and other national- and state-level competitive examinations. It also contains lessons that form part of MBA, nursing and five-year law courses. Such students and examinees will definitely find the book highly helpful.

Competition and Modernization in South Asia V&S Publishers Sociological research on Indian families has largely focused on questions of household form and structure, to the exclusion of not only the more nebulous dimensions of family life and relationships but also the discursive and imagined aspects of our familial worlds such as may be accessed through an analysis of film, literature and the electronic media. Moreover, when sociological inquiry has sought to go beyond the demographic and census aspects of the household, it has trained its eye on the heterosexual family centred on the conjugal couple, frequently at the expense of those relational patterns and diversities that fall outside the familiar circuits of desire within the family. The present volume brings together ten essays from a range of disciplines including law, literature, anthropology, sociology, and queer studies, to engage with hitherto neglected and emergent aspects of Indian family life. This book was published as a special issue of *South Asia: Journal of South Asian Studies*. *Handbook of Twentieth-century Literatures of India* Routledge The author S.P. Sharma, not only discusses the problems facing the modern man in his book, but he also explains certain religious truths comprehensively by employing non-technical language. It contains for you useful information designed to help you relieve you from anxiety and disturbing thoughts--providing you a clear vision leading to happier life. It would help you: *To combat the shocks of life *To know that nothing is more useful than the awakened self *To understand the principles that make life happier It is a wonderful work for anyone who desires to get success through positive thinking.

Across the nineteenth and twentieth centuries, legislators in Bombay passed a series of repetitive laws seeking to control prostitution. During the same time, Bombay's sex industry grew vast in scale. Ashwini Tambe explores why these remarkably similar laws failed to achieve their goal and questions the actual purpose of such lawmaking.

The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

Demography and Religion in India U of Minnesota Press

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series *SEX/LIFE*. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. *Sex/Life: 44 Chapters About 4 Men* is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.
