Volvo 240 Series  
Haynes Manuals  
Porting heads is an art and science. It takes a craftsman's touch to shape the surfaces of the head for the optimal flow characteristics and the best performance. Porting demands the right tools, skills, and application of knowledge. Few other engine builders have the same level of

knowledge and skill porting engine heads as David Vizard. All the aspects of porting stock as well as aftermarket heads in aluminum and cast-iron constructions are covered. Vizard goes into great depth and detail on porting aftermarket heads. Starting with the basic techniques up to more advanced techniques, you are shown how to port iron and aluminum heads as well as benefits of hand and CNC porting. You are also shown how to build a high-quality flow bench at home so you can test your work and obtain professional results. Vizard

shows how to optimize flow paths through the heads, past the valves, and into the combustion chamber. The book covers blending the bowls, a basic porting procedure, and also covers pocket porting, porting the intake runners, and many advanced procedures. These advanced procedures include unshrouding valves, porting a shortside turn from the floor of the port down toward the valve seat, and developing the ideal port area and angle. All of these changes combine to produce optimal flow velocity through the engine for maximum

If you own one of  
these fabulous cars  
then you know how  
fun it is to drive. And,  
you probably know  
that your MINI is  
packed with some of  
BMW's latest  
automotive  
technology. But if you  
want to maintain and  
repair your car  
yourself (or just want  
to understand what's  
going on under the  
bonnet), you'll be  
wanting the MINI  
Cooper, Cooper S  
2002-2004 Service  
Manual by Bentley  
Publishers. This is the  
only comprehensive,  
single source of  
service information  
and specifications  
available for MINI  
models from  
2002-2004. The aim  
throughout this  
manual has been  
simplicity, clarity and  
completeness,  
achieved through

practical explanations,  
step-by-step  
procedures and  
accurate  
specifications.  
Whether you're a  
professional  
technician or a do-it-  
yourself MINI owner,  
this manual will help  
you understand, care  
for and repair your  
car. Bentley  
Publishers' new MINI  
service and repair  
manual is based on  
factory information,  
but is heavily  
supplemented by  
hands-on experience  
and illustrations. The  
service manual  
editorial team has  
disassembled and  
photographed several  
MINI models for this  
project in the Bentley  
Service Information

Chilton Book Company Vehicle maintenance. Bosch Fuel Injection and Engine Management Herridge & Sons Limited Here is a new edition of Clausager 's classic book Original MG T Series, first published in 1989 and never out of print since. For this edition fresh in-depth photography of all models from TA of 1936 to TF of 1954 has been commissioned, the text has been thoroughly overhauled to incorporate new knowledge, and chapters have been

added on pre-T Series MG Midgets and on coachbuilt and special-bodied cars. The MG T Series, and in particular the TC model of 1945-49, represent the treasured archetype of the British sports car – instantly recognisable and as popular today as they have consistently been throughout the decades. Since its introduction in 1997, the Porsche Boxster has earned a reputation as one of the world's greatest sports cars, as well as a huge, loyal following of devoted drivers. This book is aimed at those owners of Boxsters who want to improve their machines while avoiding thousands of dollars in mechanic's costs. Clearly and simply written, with straightforward illustrations, this manual offers 101 projects to help you modify, maintain, and enhance your Porsche. Focusing on the 986 and 987 Boxster models, 101 Projects for Your Porsche Boxster presents all the necessary information, associated costs, and pitfalls to avoid when

performing a wide array of projects. In a word, it makes owning a Porsche Boxster an unqualified thrill.
