This is forbidden psychology. Forbidden psychology includes manipulation, mind control, brainwashing, emotional and mental abuse, deception, torture, and seduction. It is the process of using your understanding of the human mind to get your way and cause harm. Forbidden psychology is not always nice. But life is not always nice, either.

Female psychology is that of yin, male psychology is that of yang. Men and women compliment one another, with their energies, their efforts, and their strengths. I think 99% of miscommunications in relationships stem from this fact. Men are direct, women are indirect. Men are logical, women are emotional.
