The Group Theatre was perhaps the most significant experiment in the history of American theater. Producing plays that reflected topical issues of the decade and giving a creative chance to actors, directors, and playwrights who were either fed up with or shut out of commercial theater, the "Group" remains a permanent influence on American drama despite its brief ten-year life. It was here that method acting, native realism, and political language had their tryouts in front of audiences who anticipated--indeed demanded--a departure from the Broadway "show-biz" tradition. In this now classic account, Harold Clurman, founder of the Group Theatre and a dynamic force as producer-director-critic for fifty years, here re-creates history he helped make with Lee Strasberg, Elia Kazan, Irwin Shaw, Clifford Odets, Cheryl Crawford, Morris Carnovsky, and William Saroyan. Stella Adler contributed a new introduction to this edition which remembers Clurman, the thirties, and the heady atmosphere of a tumultuous decade.

But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .
