I joined up with Lil Country Kindergarten ' s Common Core linky party to share pacing guides using the new Common Core standards! I teach in Metro Nashville Public Schools and we started using Common Core last year and the district provided us with pacing maps. We actually followed them pretty faithfully and used them to plan our year out.

Tennessee's standards have kids learning some concepts in an earlier grade than their parents did. As a parent, you don't need to be completely confident with the lesson to help your child with homework. Tip: Ask your children to explain concepts they're working on – teaching someone else is a great way to learn.
