This is the daily journal of Matt Gregory's 5,000 mile hike from Bellingham, Washington to Key West, Florida. He left Bellingham on September 1st, 2006. Author's Note: This book is the unedited journal I kept on the hike. Sometimes I went days without seeing a computer and wrote them in a notebook. Once I finally saw a computer, it was usually a mad dash to update each journal entry in a fixed amount of time at libraries, internet cafes, and people's houses. I made one pass fixing a few spelling errors but decided to keep everything else as is. To me, it keeps the essence of the journal alive. Most journal entries were written in a hurry while I was tired and pressed for time. Thank you for taking the time out to give this a read. I will finish the memoir soon.
